Sir:-

With reference to your file No. 1457880, and to my letter of the 16th ultimo, to Floribert Lafond, you will note that I called upon Mr. Lafond to furnish me with an explanation as to why he stated in his application for cancellation, that the only improvements on the S. E. ¼-3-65-23-W. 4th, were a small shack. It is noted that Mr. Lafond did not mention the 30 acres of breaking, as he claims to have done this work for the entrant and has received no payment for the same. He also states that he applied to cancel this entry on the suggestion of the entrant himself in order that he might take satisfaction off the breaking which he had done on the land.

As the entrant has now enlisted for service in the present War, I presume that no action can be taken in the matter at the present time.

Dear Sir,

In connection with my sworn declaration that I made you regarding the S.E. 3 - 65 - 23 - W. 4 M. for the breaking which I have done and for which I have not been paid, the proprietor of this homestead who has gone to the war has just sent a letter to one of his countrymen who is here telling him that he was to resign his homestead in favour of his father who would come this spring. Can he do that without having first settled his account with me, if not what proceeding can I take against him or his land, or is it all lost to me.

Hoping, dear Sir, that you will kindly take this request into consideration, I remain,

Yours very truly,

Floribert Lafond,
Meanook,
Alberta.

MEMORANDUM

Mr. Hume

S.E.¼- 3-65-23- W 4th M.
Hd entry of P.Benoist,
Entry granted 6th July, 1911

Cancellation proceedings were instituted on the 11th August, 1914. by P.Lafond.

Mr. Benoist has enlisted for active service during the present war and was notified in August that his entry would be protected.

Mr. Lafond made a statement on form 459 setting out that there was no improvements on this land except a small shack partly built, 30 acres of breaking which he claimed to have done himself according to a contract he made with P.Benoist, for the sum of $150.

He claims that the entrant advised him to file a cancellation against his entry, as he intended to abandon the same.

Mr. Lafond has again written the Department in connection with the breaking which he claims to have done for the entrant and for which he has not been paid and stating that Mr.Benoist intends to abandon the land in favour of his father without settling his account.

Please say what action should be taken.

Respectfully submitted,

Let him all protection

has to settle with entrant

Title to the above is held as security by the Soldier Settlement Board. Please advise me if the Oil Rights may be purchased and for what price.

It was homesteaded just prior to W W I purchased by me in 1921, title surrendered for S.S.B loan, & regaining of title is now contemplated.

An early reply will be greatly appreciated.

this could be done, owing to the fact that an amendment to the Dominion Lands Act will first be necessary, as the Act as it reads at present precludes the issue of a free homestead patent in the name of an alien.

If your deceased son left a Will, you could of course have such Will probated instead of taking out Letters of Administration.

It is assumed that your late son was a French Citizen at the time of his death, as the Department has no information as to his having taken out a Certificate of Naturalisation as a British Subject. If, however, your son did become a naturalised British Subject, prior to his decease, this would simplify matters, as patent could then be issued in his name.

I might point out, however, even if the Department eventually issued patent in your deceased son's name, such patent would be forwarded to the Registrar for the District in which the land affected is situated, and it would then be necessary for the heirs to take the necessary legal steps to enable them to deal with the land, by securing Letters of Administration or probate of will.

Sir,

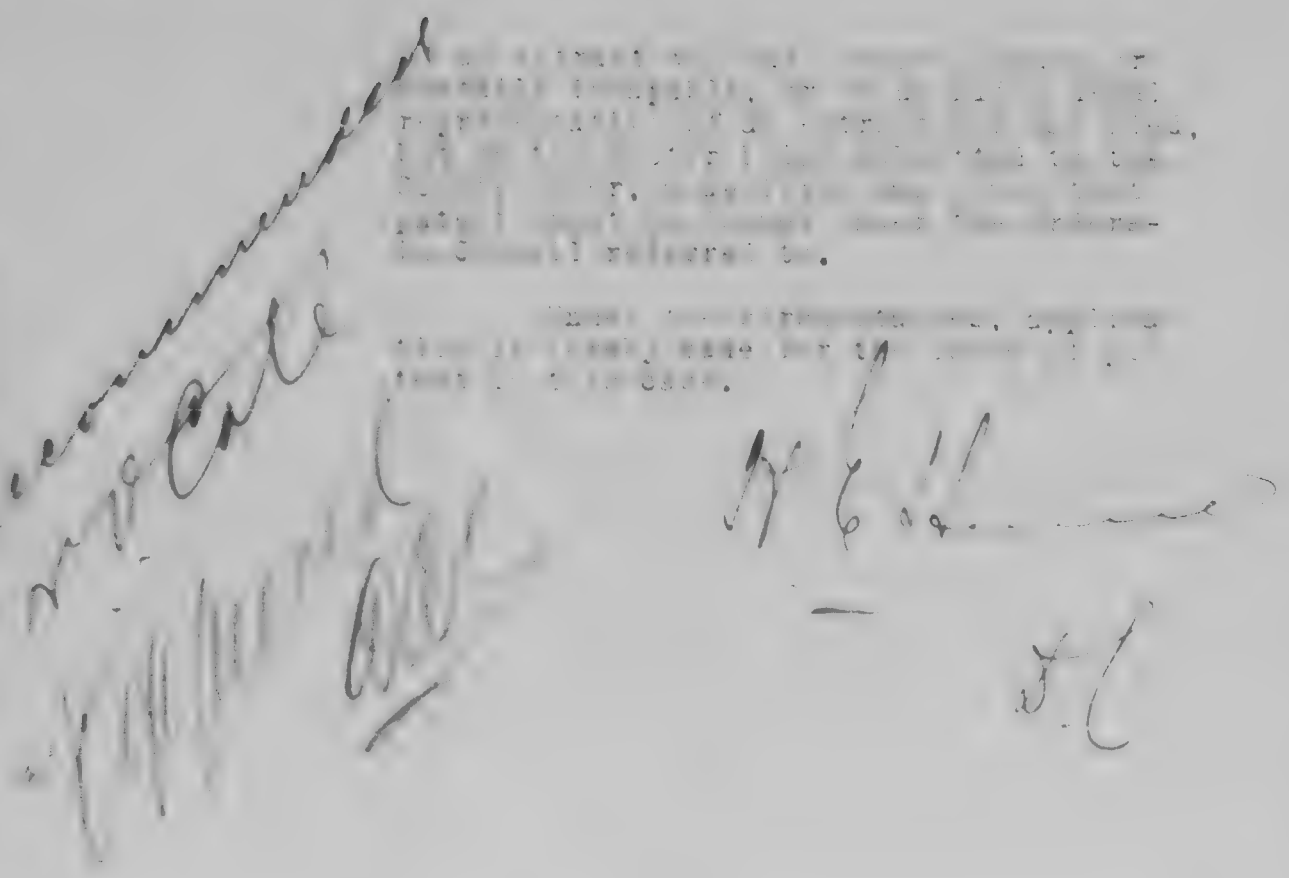

I beg to acknowledge the receipt of your letter of the 9th ultimo, forwarding certificates showing that your late son, Pierre Marie Louis Benoist, was killed while on active service with the French Forces.

With respect to your request that patent for your deceased son's homestead, the S.E.¼ of 3--65--23, W.4th M. be issued in your own name, I may say that before this could be done it would be necessary for you to take out Letters of Administration of your deceased son's estate, either in France or in this country.

If Letters of Administration were taken out in France, it would then be necessary to have such letters resealed in the province of Alberta, in which province the quarter-section affected is situated.

If, however, you do not desire to go to the expense of asking the courts to appoint you administrator of your late son's estate, it could later on be arranged that patent for this quarter-section issue in the deceased entrant's name, but some delay would probably occur before - this -

Letter sent to mailing Branch, File retained for further action.

Gentlemen, S. W. ¼ of 3-68-22 W. 4th M.
Pte. of Lieut. George Borrie jr.(deceased)

In reply to your letter of the 13th January last, in connection with the Estate of the above named homesteader, I beg to advise you that as the Department has received evidence of this entrant's death while on active service, it has been decided that action will now be taken to have Patent for the above land issue in the name of the deceased entrant without calling for the performance of any further settlement duties, subject, however, to any incumbrances to the Crown which may be registered against the land.

You will be notified of the issue of Patent, which will be forwarded to the Registrar for the land registration district in which the land is situated, and in order to obtain transfer of title it will be necessary to comply with the requirements of that official with regard to Letters Probate of Will or Letters of Administration. It is suggested that you communicate with the Registrar as soon as you receive the official notice.

Your request to have the Official Certificate of Death returned, will be dealt with in another communication.

J. D. Grisdale of Athabasca, Alberta, is also being advised by a copy of this letter.

Assistant Secretary.

MEMORANDUM:

Mr. Hume.

S.W.2-68-22-W.4th Mer., Hd. of the
Late Lieut. George Darsie, Jr.,
Entry granted 31st July, 1912.

Mr. Darsie appeared at the Agent's office in Edmonton on the 9th November, 1914, and executed a Statutory Declaration setting forth that he was going back to England to enlist.

According to Certificate of Death issued by The War Office, London, England, on the 24th August, 1918, Lieut. Darsie joined the Fife and Forfar Yeomanry, attached 8th Battalion, Scottish Rifles, Territorial Force, and died in the 63rd Casualty Clearing Station either in France or in Belgium, on the 31st of July, 1918, from wounds received in action.

The certificate ~~of the Militia Department~~ has been compared with the application for entry and identity is clearly established.

Search has also been made for any indebtedness to the Crown in the shape of Seed Grain or other advances, and the Seed Grain Branch report no liabilities.

It would appear that steps may now be taken to issue patent for the land and in this connection please see copy of Will of the deceased marked under.

OTTAWA -

Request for Title under Order in Council of the 4th June, 1921, where entry completed by soldier settler.

Re: Walter J. Brine,
S.W.¼ —d—21 N.4th R. (Man.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 11th July, 1919, the settler secured advances from the Board totalling $[illegible].00, as follows: land, $[illegible]; stock and equipment, $[illegible]; permanent improvements, $[illegible]; special advances, $[illegible]. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board is title to the S.W.¼ —d—21 N.4th R., purchased for the settler.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler, dated the [illegible] January, 192[illegible].

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, provide that, upon completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Province, title remaining in the Board until the settler's indebtedness has been repaid. [illegible] title will entitle the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that the settler contemplates immediately forming otherwise. However, the settler desired to have title issued as stated in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale of the land should the settler [illegible] in the future.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼, [illegible] R. may be vested in the Soldier Settlement Board.

The Board has no objection to the land being vested in the recent amendment to section 35 of the Soldier Settlement Act, as to the interests referred to in the second paragraph hereof being left in the settler pending [illegible] of duty and payment.

AND WHEREAS, pursuant to the application made by the said Harvey J. Evans, who is residing on the said land, the Soldier Settlement Board has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1919, P.C. 1024;

Dear Mr. Demers:

In Mr. Pete's absence I am in receipt of your letter of the 24th instant, enclosing statement of the duties which Pierre Brault has performed in connection with his homestead the South East quarter of section 32, township 56, range 10, West of the fourth Meridian. It is not quite clear from your letter just what this homesteader wants, but I suppose it is his patent. In looking over the statement I find that he has not done sufficient residence to enable him to successfully apply for a patent. I enclose,herewith, a copy of the regulations in French, from which he will be able to understand exactly what is required.

Yours very truly,

Dear Sir:

In reply to your letter of January 14th, I may say that Letters of Administration should be on the original file 2458725, now with your Department.

However, I have record of Letters of Administration in favour of Edward Carey, Executor of the Estate of Nellie Brereton, deceased, forwarded to this office in connection with the issue of Letters Patent for the fractional NW¼ of Section 22-56-16-W4th M.

If this document is of any assistance, I will be glad to forward it.

Dear Sir:

In reply to your letter of February 5th referring to the Letters of Administration issued in connection with the estate of Frederick Desjarlais, I may say that we have not been able to locate the Letters of Administration in this case.

It was the practice to attach such documents to the file dealing with the land and unless another land was involved to which the Letters might be attached, it does not appear that Letters of Administration were issued in this case.

Dear Sir:

RE: N½ of S.E.¼ 25-69-12-W.6th Mer.

On the 10th of February, 1948, and again on the 24th of November, 1948, you were advised that before patent for the above described land may issue it is necessary that certified Letters of Administration be furnished. You were also advised that if you were not heard from the application for the half breed scrip would be cancelled and the land would be disposed of.

On the 2nd of December, 1948, your son, Edward W. Carey of Fort St. John, appeared at this office and completed a declaration to the effect that you were in the Royal Alexandra hospital, Edmonton and that he intended to make a search of your residence to see if he could find the Letters of Administration.

No reply has been received and I am to warn you that unless you are heard from within thirty days from this date action will be taken to cancel the application for half breed scrip and to post the land for disposition in accordance with the regulations.

Yours truly,

I was at the Department of Land here in Edmonton to answer to a letter they had sent me. which I here Enclose. it must have been located by some one that bought the scrip from the Desjarlais. and now this Land Department here in the Town of Vermilia does not know much about it I cannot locate the scrip in question if you know it each would you have the kindness the scrip might have been issued in the year 1885-86 1887 but I rather think each was issued after the year 1885. Dear Sir,

Your letter of May 10th asking for information regarding a land scrip issued to Mr. Frederick Desjarlais, has been received.

Half-breed Scrip No. A 2393 was issued to Frederick Desjarlais, (father of Margaret Desjarlais deceased) on September 27th, 1900. Mr. Desjarlais appointed James William Blain, his attorney, to receive the scrip from the Government of Canada and the scrip was forwarded to Mr. Blain by letter of October 3rd, 1900, addressed to Strathcona, Alberta.

The oil rights of the land selected would not go to the person obtaining the land. They would be reserved to the Crown in the right of the Province.

Request for transfer of [illegible] lands.

re: Percy John Silvester (Deceased)
[illegible] - S.S.

The above named, a former soldier settler, secured advances from the Board totalling $2457., the Board thereby having a charge upon the above described unpatented Dominion lands. Until such charge, relative to this land cannot be issued to the settler until his indebtedness to the Board has been fully discharged. On the 22nd day of March, 1914, the settler, Percy John Silvester died and Charles Silvester was appointed by the Courts as his Legal Administrator. Certified copy of the Order of the Court is attached hereto.

We are now in receipt of an application from Mr. Charles Silvester requesting that patent for this land issue in the name of the Board. Mr. Silvester states that all dealings in connection with this land have been completed and that, therefore, should issue were to not for our charge. This is confirmed by the letter from the Secretary of the Department of the Board, dated the [illegible] instant.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1921, (P.C. [illegible]), which enables the Minister, by and with the consent of the Settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him of the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that right, title and interest of Percy John Silvester in the N.W. [illegible]-27-2-W.3rd be vested in the Soldier Settlement Board. The certified Order in Council is attached hereto for the Minister's attention.

Respectfully submitted,

Homestead - Edward Henry Brophy,
(Deceased)
Date of entry, 3rd March 1916.

The late Mr. Brophy secured homestead entry for the above land while a member of the Canadian Expeditionary Force.

Certificates have been received from the Department of Militia and Defence to the effect that Mr. Brophy enlisted for military service on the 25th October 1915, and that No. 437824, Private Edward Henry Brophy, of the 2nd Overseas Battalion, Canadian Expeditionary Force, died at sea (on board Hospital Ship "Aberdonian"), on September 14th 1916, as a result of a gunshot wound in the spine, received in action. The certificates have been compared with the application for entry and with other evidence on file, and identity apparently established..

The Seed Grain Branch reports no record of Seed Grain or Relief incumbrance.

Provision has been made by the Dominion Lands Act for the issue of Letters Patent for a homestead in the name of a deceased entrant who died while enrolled as a member of the Canadian Expeditionary Force, and I would recommend that this action be taken with respect to the above quarter section.

Sir,

W. S. [illegible]-S[illegible]W.Ste Mar.,

I have to advise you that the Department has received evidence of the regrettable death while on active service of Private Edward Barry Brophy, and it would appear that he held the above mentioned entry. You are requested to acknowledge this letter and advise the Department of your intentions in regard to the land.

I may inform you that it is the practice of the Department where a homesteader is killed in action or dies while on active service, to issue patent for the homestead without calling for any further settlement duties. Patent may be issued in the name of the deceased without any action being taken as formerly to the Surrogate Court and the heirs may obtain title for it by complying with the regulations of that official with regard to Letters Probate of Will or Letters of Administration. On the other hand, should it be desired to have patent issue direct to the legal representative it would be necessary to file with the Department a certified copy of Letters Probate of Will or a certified copy of Letters of Administration, that is a copy certified by the Clerk of the Court for the judicial district in which the land is situated and under the seal of said Court. The Province of Alberta, in which the above land is situated, has made provision for assisting the heirs of deceased soldiers in administering the estates of their deceased relatives. For further information in this connection you may apply to the Estates Branch, Alberta Returned Soldiers' Commission, Edmonton, Alberta, inserting the above entry and initials, Private Brophy's regimental number.

Your obedient servant,

Assistant Secretary.

Re: S.½ 36-71-5-W. 6th M.
S.W. 6-72-4-W. 6th M.

Please see the Agent of Dominion Lands letter of the 28th ultimo. It appeared therefrom that the title to the land above described is incumbered by Mr. C. W. Johnston liens for $130.10 and $210.66.

In this connection, the records indicate that the amounts in question were fully paid in 1919, but apparently not discharged. For further information, please see letter directed to Mr. Johnston at Grande Prairie, Alberta, under date of the 10th December, 1919.

Sir,

By Letters Patent dated 17th November, 1917, one acre of the Southwest corner of Legal Subdivision 4 of Section 6, Township 72, Range 4, West of the 6th Meridian, was conveyed to the Baptist Union of Western Canada,

The Department has recently received information indicating that this site has been sold, in contravention of the conditions of the grant, and I would therefore request you to kindly furnish me with an historical abstract of title of this parcel, with endorsement indicating what reservations and provisoes are contained in the last transfer registered.

MEMORANDUM:

Mr. Harvie.

Re: Special Grant No. 4012

By Letters Patent of date the 17th November, 1917, certain lands were conveyed to Baptist Union of Western Canada,

> "TO HAVE AND TO HOLD the same unto the corporation, its successors and assigns, so long as the same are and upon the trust and subject to the condition that the same shall be used for church purposes and for no other purpose or purposes whatsoever."

These lands are as follows:

The South West corner of Legal Subdivision 4 of Section 6, Township 7?, Range 4, West of the 6th Meridian, to an area of 1 acre.

As you are aware, at the request of the Department, investigations of all special grants for specific purposes are being made, with the result that in this case information has been submitted by Inspector Newton under date the 21st October, 1929, to the effect that there formerly was a church on this site but it was sold two or three years ago and moved away. He does not remember of it ever being used. J.W. Boyd, of Grande Prairie, B.C., owns the balance of the quarter and claims his title calls for a full quarter. At any rate he has the full quarter fenced and the church site under grain.

The Registrar at Edmonton was requested to furnish an abstract of title. He replied that the church site still stands in the name of the trustees.

When application for this site was received the whole quarter was under homestead entry to J.W. Johnston, who released the church site from his entry and subsequently secured patent of the balance of the quarter, and would have a reasonable claim to patent of the church site should it ever revert to the Crown.

Therefore

Registrar of Land Titles at Edmonton, Alberta, for registration, and thereafter forward duplicate certificate of title to this Department.

Should the transfer submitted not be acceptable to the Department, it will be returned to you with an explanation of wherein it requires alteration or amendment.

MEMORANDUM FOR THE INFORMATION OF THE MINISTER.

Re the S.E. ¼ 10 - 41 - 21, W. 4th M., the homestead of Arthur Cromack.

Obtained entry August 25th, 1906.

About July 20th, 1911, the homesteaders father-in-law, Mr. R. Walton, reported at this office that Mr. Cromack was very ill with tuberculosis, in the Strathcona Hospital, and would if application for patent could not be accepted from him at once, in view of the fact that he was not likely to recover.

Homestead Inspector Currie was at once directed to accept application for patent, but was not to secure the affidavits if witnessed, but this is never intended to cut the assessment time. Of course, the Inspector is of the opinion that the duties are not anything like complete, but he informs us that the facts of the case are very much as set forth in the petition of the widow and children of the deceased, and attached hereto.

In reply I am to say that Mr. Lucien Dubuc, of Montreal, Que., the owner of that part of this quarter-section which is not covered by Crown title, has applied to purchase it, and applies to have the title to the portion in question of the Crown-patent from the other one less original area in it. Investigations are now being made to determine whether it would be advisable to grant this title. Should these investigations show that the public interest will not be prejudicially affected by the proposed sale and the usual conditions were complied with, it is intended that the purchase price of the said S.E. ¼ Sec. 17, over and above, will be paid by Mr. Dubuc. In view of the fact that patent issued, it may almost then, consider this application.

I have informed Mr. Dubuc that no action can be taken by this Department until advice has been received from the Provincial Authorities at Edmonton to the effect that they have no objection to the proposed scheme.

Your obedient servant,

It would appear that if Mr. Dubuc does not intend to put in drainage works it will be necessary for a re-survey to be made of the land formerly covered by the lake before patent can be issued for such land, and Mr. Burley has been asked to explain this matter to Mr. Dubuc.

Sir,

With further reference to your file 2466206 and my letter of the 18th instant respecting the application of Mr. Lucien Dubuc, I beg to advise you that the applicant now writes as follows:--

"I am not asking permission to drain the "lake on the N.W. ¼ 19-55-24-4, as it is already "completely dried up. All I want to be ascer- "tained by your department is the fact that "said quarter section is now all available.

"I intend to always keep this property "completely drained out, but before incurring "such expense, I want to be assured the title "of the property will be mine.

"I own the fractional portion of said "quarter section, and the lake is only on that "quarter. I desire to purchase from the "department said remaining portion formerly "covered by water. The Provincial Government "have no interest in this property, and shall "be pleased if you will not delay the matter "any longer and send your engineer, in order to "ascertain the fact that the whole quarter "section is dry and has been so for many years.

"I wish your engineer would come and make "his inspection before the ground is covered "with snow. We could now motor there and back "in a very short time, as the roads are in good "condition.

"You will pardon my hurrying this matter up, "but I am endeavoring to obtain my patent before "spring, in order to make some improvements "and fence the whole of the property."

Mr. Burley has been instructed to call upon Mr. Dubuc and to accompany him to the lake in question.

It

The Secretary,

Department of the Interior,

O t t a w a.

Calgary, Alberta.

As I own the said fractional quarter section excepting thereout the land covered by water, I now make application to purchase that portion formerly covered by water. The said lake, if there ever was one, affected only my quarter section, and is now nearly all dried out, as you will see by the report of your Commissioner of Irrigation.

The land is not arable land and is not yet fit for haying purposes. I believe that although the land is flat, and by making little improvements and gathering the water all in one spot, said land could be made productive and of some use to me, and I therefore would purchase it at the rate of $1.00 an acre

I shall be very much obliged to you for an early reply, as I intend to make preparations now to have the whole property fenced in in the Spring.

Respectfully,

Richard Talbot

Dear Sir:-

Your file No.2466206 -
Fl. N.W.19-55-24-4-

With reference to your letter of November 10th, I beg to say that I have interviewed the Department of Public Works at the Provincial Government, and they state they have no objections to my obtaining title to the remaining portion of my quarter section, and especially as there is no drainage scheme regarding the same, they are not interested. They state they have written you an uncompromising letter in which they give you neither a positive nor a negative answer to your letter, leaving the decision to you.

I have also entered into communication with your Commissioner of Irrigation at Calgary, and at my request an Engineer has been sent to make a report to you regarding such quarter section. I feel sure that his report will state that there is no lake or water on said quarter section.

-2-

"I am directed to advise you that, in view of the legislation before the House at present to amend the present Drainage Act, also the proposed Small Watch Act and Municipal Act, we cannot commit ourselves while this legislation is before the House".

You will therefore see that no decision whatever has been given by the provincial authorities, and this department is not justified in assuming authority to approve of your proposed drainage operations.

Your obedient servant,

Asst Secretary.

Ottawa, January 22, 1919.

Sir.-

I beg to acknowledge the receipt of your letter of the 2nd instant with reference to your application to drain a portion of the N.W.¼ of section 19, township 55, range 24, west of the 4th meridian, with a view to obtaining title to that portion of the quarter-section not already owned by you.

In reply I am directed to say that instructions have been given by the Commissioner of Irrigation to have one of his engineers visit you for the purpose of making an inspection of the proposed drainage works, and this will be done at the earliest possible date. In the meantime it will be impossible for the department to take any further action in connection with your request.

With reference to the attitude of the Department of Public Works at Edmonton toward your proposed drainage scheme, and to the statement made to you by the Deputy Minister with respect thereto, I am to say that all matters affecting drainage in the province of Alberta are under the direct control of the provincial authorities and, therefore, this department is not in a position to approve of any proposed drainage works until the same shall have been submitted to and approved by the province. Your application was referred to the Department of Public Works and on the 18th December last the following reply was received:

MEMORANDUM:----Mr. Campbell,

Mr. Lucien Dubuc is the owner of the Frs. Northwest ¼ of Section 19, township 55, range 24, west of the 4th meridian, comprising 33.6 acres which was originally granted by the Crown to the Canadian Pacific Railway Company. The balance of that quarter Section is shown by the township maps as covered by the waters of a lake. Mr. Dubuc claims that this lake is now dry and has been so for several years. He asks to be allowed to purchase all that portion of the quarter Section not yet patented to him and will undertake to construct the necessary drainage works to ensure that the lake will not again fill up.

An inspection of this proposed drainage project was made by an officer of the staff of the Commissioner of Irrigation on the 27th December, 1911. It appears from this inspection that the lake has shrunk to approximately twenty to twenty five acres, which at the time of inspection was covered by water to a depth of from 1 to 1½ feet. All the remaining area shown upon the township plan as part of the lake was then dry. Attention may be called to the fact that 1911 was an unusually wet year and there was probably more water in the lake then than there had been for some time previously. The engineer reported that

the drainage of the remainder of the lake could easily be accomplished.

In accordance with the usual departmental procedure Mr. Dubuc was instructed to apply to the Provincial authorities for authorization to construct the necessary drainage works. He did this but the Province declines to take any action whatever in connection with the matter and Mr. Dubuc now asks this Department to deal with his application without reference to the Provincial authorities.

I think that under the circumstances in this case this Department would be justified in authorizing Mr. Dubuc to drain away the water of the small lake by means on this land, subject to the acquirement by him of the necessary right of way for the works, and that the Department might also agree to sell to Mr. Dubuc the balance of the quarter Section at a price to be determined by Inspection. A homestead inspector might be detailed to make a valuation of this land at an early date. About 100 acres could now be patented without dealing with the question of drainage, but it would be preferable to deal with all the fractional quarter Section not yet patented, and this cannot be done until the land has become dry as the result of drainage. It appears to me that the Dominion Government might reasonably take the view that it has the right to improve its own property in cases where the Provincial authorities decline to co-operate to that end.

Ottawa, October 8, 1915.

MEMORANDUM:

In your memorandum hereunder of the 21st ultimo you instructed me to have an inspection made of the fractional N.E.¼ of section 13, township 3., range 14, west of the 4th meridian, which has been applied for by Mr. Lucien Dubuc, the inspection to be for the purpose of determining what portion of the land is covered by the lake and what portion is dry.

In connection with this application I may say that an inspection was made by a departmental engineer on the 20th December, 1911, and reported to the department by the Commissioner on the 11th January, 1912. It appears from the engineer's report (a copy of which is marked hereunder) that the greater part of this quarter section is covered by an old lake bed, but that on the date of inspection it was all dry, excepting about 5 acres which were at that time covered to a depth of not more than 1 to 1½ feet. The remaining 10 acres, or so, shown by the township plans as covered by the lake, was at the time of inspection covered by a heavy growth of grass and appeared to be first class hay land. The inspecting officer was of the opinion that it would be a comparatively easy matter to entirely drain the lake and make all the land covered thereby tillable. He was further of the opinion that there was little likelihood of the lake ever filling up again to its original size. Our engineer has attached a plan showing the physical conditions, a blue print of which is attached to his report.

An inspection can now definitely fix the present area covered by the lake and the precise area of dry land, as these areas will vary according to the season and the climatic conditions of each year. The report already received seems therefore to be sufficient for the present, but a further report will be required.

Mr. Dubuc says that 30 acres of dry land on the Superintendent's plan is shown as water, but the Superintendent states that there was at the time of the inspection a further area of something over 100 acres then dry, over and above that shown by the plan to be covered by the lake.

For your guidance let me say that before patent issues a certificate of the report of the Superintendent will be required, stating that the land is dry, or if not dry, what portion is dry.

Respectfully submitted,

W. Pugsley

Deputy Minister,
Dept. of the Interior.

Dear Mr. Peters, (File No. 1916)

An official communication has been sent you today respecting the application of one, Lucien Lubuc, for patent for part of the N.W.¼ of sec. 19, tp. 17, rge. 24, west of the 4th meridian, which was at one time covered by the waters of a lake.

An inspection was made in connection with this matter by Mr. Burley, in December, 1911, and a full report thereon was forwarded to the Department in May on the 11th January last. It appears from this report that there was at the time of the inspection something over two acres of dry land on the quarter section, exclusive of the 6.6 acres which Mr. Lubuc owns. There was, however, an unpatented area, approximately 40 to 50 acres at that time covered by the waters of the lake. So far as I can understand the object of the present inspection is to determine accurately

Sir,

I beg to report that in accordance with your instructions I have inspected the scheme of Mr. Lucien Tribune on N.W.¼ Sec. 19, Tp. 35, Rge. 14, W.4th Mer.

The inspection was made Nov. 20th. and I found that the lake referred to was dry. No water or ice was to be found on any part of the quarter.

The value of this land is about $12.50 per acre as near as I could estimate. I understand that land in this vicinity is worth from $15 to $25 per acre but as this land will require draining and the soil does not seem to be first class, I think $12.50 is the highest value that could be put on it.

Sir:- (File No. 1940)

I beg to acknowledge the receipt of your letter of the 2nrd ultimo, enclosing a report from Mr. G.H. Whyte of an inspection made by him in connection with the application of Mr. Lucien Dubuc to drain a lake on the N.W.¼ of section 19, township 55, range 24, west of the 4th meridian, and to purchase the land to be so reclaimed.

It is noted that Mr. Whyte values the land underlying the lake and marginal lands which were formerly covered by the lake, at $ 12.50 per acre.

Mr. Lucien Dubuc who holds patent for part of the N.W. ¼ of 19-55-24 W. 4th, has applied to purchase the remainder of the quarter-section, which was formerly covered by water, but has since become dry.

An official of the Irrigation Branch made an inspection and placed a valuation on this land at $12.50 per acre. Mr. Dubuc claims this valuation is excessive, and as very little of the land which has become dry is now arable, he thinks this fractional area is not worth more than $3.00 or $4.00 an acre at the most.

Please visit this land as soon as possible, and place a valuation thereon.

MEMORANDUM,-

I beg to submit, herewith, the papers with regard to the application of Mr. Lucien Dubuc, of Edmonton, to be permitted to purchase the portion of the North-West Quarter of Section 18, Township 55, Range 24, West of the 4th Meridian, which was formerly covered by water, but which is now permanent dry land. Mr. Dubuc is the owner of all the remainder of the quarter-section surrounding the dried-up area and he wishes to secure title to the whole of the quarter-section. The land was first valued by one of our homestead inspectors as being worth $10.00 per acre, but it was decided by Dr. Roche to ask for a second inspection and a report has now been received from Mr. Homestead Inspector Hagen, in which he places a valuation on the area in question of $5.00 per acre. Mr. Dubuc claims that the land is of very little value in its present condition and it will require much expense to make it fit for hay growing and he urges very strongly that he be charged only $3.00 per acre, instead of $5.00. Mr. Dubuc is in town at present and I promised him that I would submit the matter for your consideration and decision.

Respectfully submitted,

In reply to your letters of the 6th ultimo and 7th June last, I beg to say that the three acres in the North East corner of the S.E.¼ of Section 19, Township [illegible], Range 24, West 4th Meridian, formerly covered by water, could only be disposed of by the Department, as you have already been advised, to the registered owner of the remainder of the quarter section. This land was inspected in June last by Mr. Homestead Inspector [illegible]. Lynne, who reported that the three acres in question were entirely dry and would appear to have been dry for several years and placed a valuation thereon of $3.00 an acre. He further reported that when he visited the land he found Mr. Servais in possession, who claimed to be the owner of the whole of the quarter section.

I may add that, in the event of these three acres being disposed of to the registered owner of the remainder portion of the quarter section, as the proceeds of the sale at the rate of $4.00 an acre would be less than $25.00, in accordance with the practice of the Department in all such cases it would be necessary for the purchaser to remit in addition to the purchase price a patent fee of $1.00.

Dear Sir -

S.E.¼ 2-12-1-W4th.

Messrs. Short [illegible] of Calgary, who are acting for the Edmonton Dunvegan & British Columbia Railway Company, have been in communication with this Company in regard to their securing Title to their railway right of way on a small fraction of land in the above quarter section, covered by the waters of the lake.

It appears that 1.7 acres was eliminated from our grant covering this part section, in respect of the land reserved to patent issued by this Company for 157. acres. This quarter section was disposed of some time ago under contract by Arthur Ferris of Cardiff, Alta., and has not yet paid the Company in full for the Land. The Title is, therefore, still in the name of this Company at the Land Titles Office, and issued. Short & Young have [illegible] from this Company for the right of way across that portion of the land for which Title issued to the Company, but they cannot secure their transfer until they secure Title to the portion of the lake occupied by their right of way.

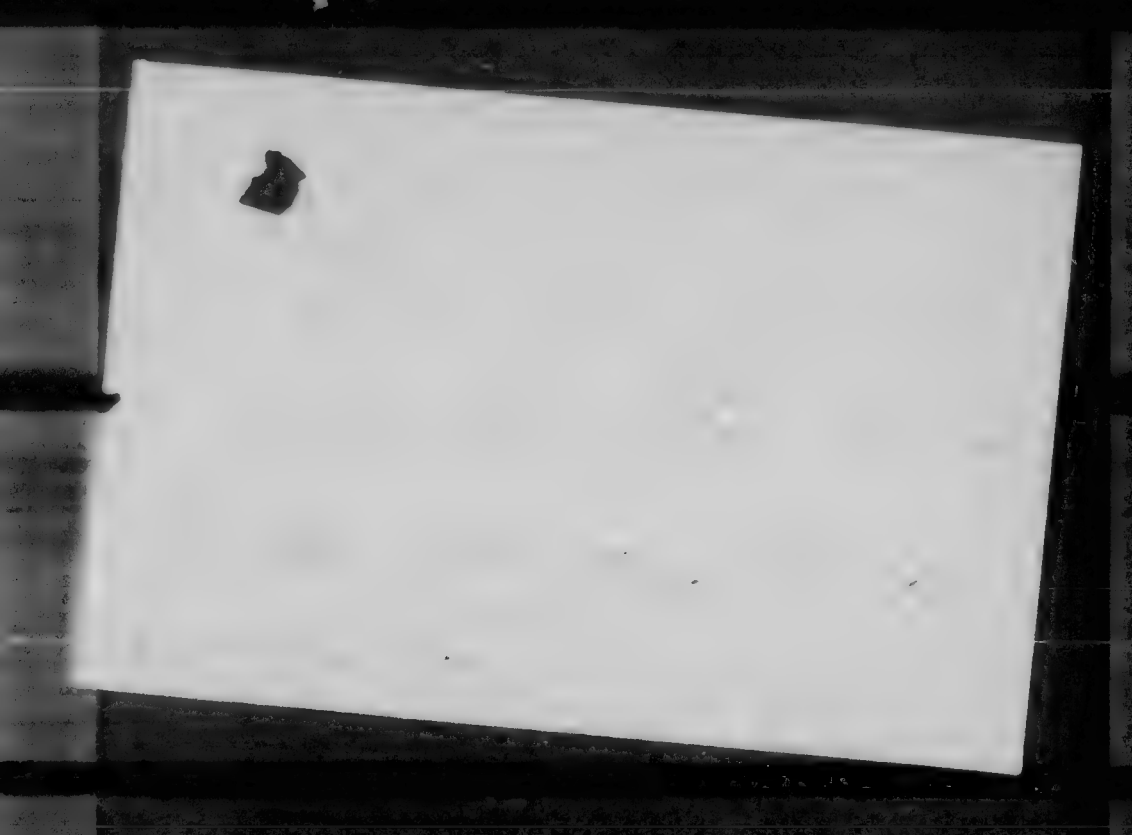

We understand the ruling of your Department is that [illegible], the registered owner may apply for Title to this fractional part of the lake, and we are accordingly writing, at the request of Messrs. Short & Jones, to advise that so far as this Company is concerned, we have no objection to Title being granted to the Edmonton [illegible] & British Columbia Railway Co. for that portion of their right of way which passes through the lake referred to.

MEMORANDUM:

Mr. Ryan draws attention to the manner in which the corrections are made in the evidence of the witnesses in this case in regard to the description of the homesteader's land.

You will observe that an alteration has been made in pencil but there is nothing to show that this alteration was not made before the witnesses were sworn in the usual way and I suppose the application must really be accepted.

Respectfully submitted,

F. Fitzpatrick, K.C.,
Assistant Deputy Commissioner of Dominion Lands.

Sir,

Encl.

I beg to return herewith the application for patent of Mr. William A. Smith for the South West ¼ of Section 14, Township 15, Range 20, West of the 4th Meridian, your reference 83350, and I am to draw attention to the manner in which the evidence of the witnesses has been changed in regard to the portion of the section for which the homesteader holds a homestead entry. If these erasures were made before the witnesses were sworn, they should be initialled in the margin. If after, the witnesses will have to be sworn in the usual way.

[illegible],
Chairman,
[illegible] Relief Adjustment Board,
[illegible] - Alberta.

Dear Sir:

Re: [illegible] - Unit Relief Grants
[illegible] 15-1-35-4.

The above party obtained the following Unit Relief advances through the former Municipal District of Clifton, No. 147, giving as security liens on the title to the above land:

January 8, 1930	$ 111.[illegible]
March 15, 1932	47.[illegible]
April 15, 1932	72.[illegible]
June 22, 1933	31.[illegible]
	263.14
Interest to December 31, 1934	251.[illegible]
	514.[illegible]

In the early twenties the debtor abandoned the land and worked for wages for various ranching companies in other parts of the province. All trace of his whereabouts has now been lost.

Title to the above land was subject to a mortgage held by the Netherlands Investment Company registered prior to the liens. Foreclosure action was proceeded with resulting in the title being vested in the name of the Company free of all liens.

As there is now no possibility of outside repayment under the personal covenant and as no security remains, I recommend that the balance outstanding be written off.

Provincial Unit Grant advances in the original amount of $1,131.25 have already been cancelled together with accrued interest.

Yours very truly,

If, at any time, you know of any reason why the land should not be reserved for public shooting purposes you should report fully to the Department.

Please report promptly to the Department when you have noted the reservation on the land in accordance with your records. You should at the same time inform the Department whether there are any lands in your district other than those specified in the enclosed schedule which are falling to your records are being reserved for public shooting purposes.

If reference to the lands in the schedule are sold under entry prior to that the further applications are to be received from any person to cancel any resident's entitlement for cancellation, position upon the forwarding to you by the next mail subsequent is received in the office. Generally speaking, that reservation will not be made to the loss or injury of any person who has, in good faith, acquired rights on the land by virtue of an application actually received by him or by a duly authorized agent in the Land Office prior to the date upon which the reservation becomes effective.

Should any of the land now under further disposition become available by reason of the cancellation of homestead entry, etc., there being no applicant, you will refer the matter for our further disposition at the time, quoting this letter.

Secretary.

Memorandum:

Application of Messrs. McDonald, Beaver & Ritter on behalf of Mr. Louis Marty to acquire the unpatented portion of the N.E. ¼ of Section 6, Township 44, Range 9, West of the 4th Meridian.

The applicant in March, 1915, obtained letters patent for his homestead covering the area in this quarter section shown on the sketch, marked, outlined in orange, and later sold the land to Mrs. Lydia Prill.

Mrs. Prill had considerable trouble with neighbours breaking her fences in order to gain access to the lake on her land, in view of which she applied to either purchase or lease the unpatented portion of the quarter.

A grazing lease was granted but the patentee took back the patented portion and applied in his own behalf for the balance of the quarter, forwarding here an abstract of title in support thereof, claiming the said patented portion to stand in his name.

Mrs. Prill filed a relinquishment and her lease was cancelled.

An inspector reporting under date the 14th February, 1916, in connection with Mrs. Prill's application states as follows:-

"This [illegible] is a mixed quality of land. [illegible] and gravel in parts with thick bush and logs in other parts "and is about 30 miles from the railway [illegible] "to the south. Taking into consideration prices [illegible] "the patented lands in the vicinity this land is worth "now six to ten dollars per acre. The [illegible] "of water close to Mr. Prill. Under the circumstances, I [illegible] supplementary letters patent be issued to Mr. Morty's name covering the [illegible] shown on the surveyor general's sketch, dated, [illegible] plan, containing 49 acres, which would be in accordance with the departmental practice.

Mr. Robins,
Minister's Office.

I beg to return your memorandum of the 23rd instant, and to state that the land at Vermilion Chutes on the Little Red River, comprising the parcel applied for by Mr. Thomas Kerr, has not yet been surveyed, and the claim cannot, therefore, be considered.

Mr. Kerr was advised by Departmental letter of the 1st September, 1911, to the foregoing effect and that his claim had in the meantime been noted in the records of the Department.

I may say that there is no record of any evidence having been submitted by Mr. Kerr in support of his claim before the Commissioners who investigated such claims and the claims of Half-breeds in that territory at the time the Indian title was extinguished in 1899.

It [illegible] matter possible, for there is no authority under which such action could be taken, to transfer the claim at Little Red River to Sturgeon Lake where he now resides.

This class of claims are dealt with under the [illegible] section 76 of the Dominion Lands Act, which provides for the granting of land by the Governor in Council to certain classes of [illegible] who were in occupation at the time the Indian title was extinguished in such territory.

I beg to acknowledge the receipt of your letter of January 25th, asking for information about Mr. Thomas [illegible]'s claim for a free grant of land in the vicinity of the junction of the [illegible] Kiskwa (formerly Little Red) rivers in tp. 108-5-5.

On June 19th, 1911, Mr. Kerr, who was then an official of the Edmonton Land Company at McKay, wrote to the Minister of the Interior, claiming as a free grant certain land at the mouth of Kiskwa river, stating as a reason for his claim that he had been in possession of the land at the time the Indian title was extinguished in 1899. A copy of, however, no record in the Department of any claim having been submitted by Mr. Kerr in support of his claim before the Commissioners who investigated such claims and the claims of half-breeds in that territory at that time.

Mr. J.J. Bellet[illegible], D.L.S. who was employed on [illegible] surveys in the vicinity in 1911 and 1912, was [illegible] by Mr. Kerr's letter and although he did not [illegible] to p. 108-5-5 he reported that Mr. Kerr had left the district.

This [illegible] was [illegible] by Mr. J.J. Bellet[illegible] last year. He still was given a copy of Mr. Kerr's letter and [illegible] such statutory declarations from four settlers in the immediate vicinity of the mouth of Kiskwa river, as this application from Mr. Kerr would in the event of [illegible] to show any improvements belonging to Mr. Kerr in that vicinity. In this connection I may say that when the survey of this township was made, there were three Statutory Declarations taken for the above quarter section, one from Revillon Freres, one from the Corporation Episcopale Catholique Romane D'Athabaska, and one from John Alfred McGillivray, all claiming this land, and under your instructions, the Agent of Dominion Lands was advised on the 27th January, on file 336191S, that.-

Kindly therefore detail an Inspector to visit this quarter section and furnish the Department with a report showing the occupation and improvements by each claimant and also a sketch showing the location of the parcel claimed by each. Only a small area should be allowed to each claimant and the Inspector should make his report with that in view."

No report has yet been received in the matter.

MEMORANDUM:

J.S. Greenway, Esq.,
Commissioner Dominion Lands.

Re Thomas Kerr.

Referring to your memorandum of the 8th instant, I beg to say that all the information obtainable with regard to Thomas Kerr, who claims the piece of land at the mouth of the Little Red (Miniwa) River, is contained in the papers on this file.

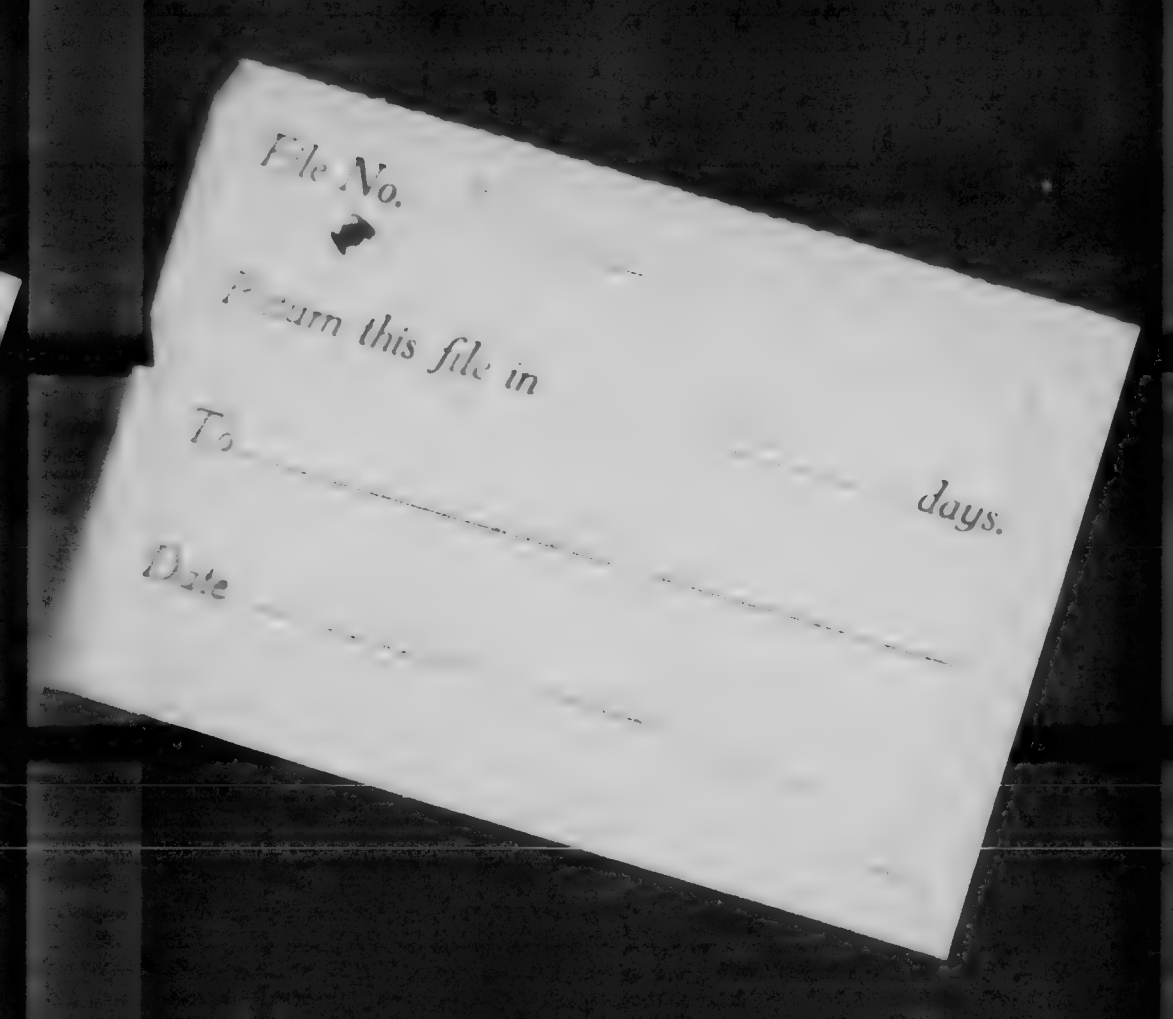

You will observe that Mr. Kerr, in the 19th June 1891, made a claim to the land as having been in occupancy at the time of the extinguishment of the Indian Title, but he has not submitted any evidence to substantiate that claim. It would appear that a letter writing on behalf of Mr. Kerr to the Minister, requesting that Mr. Kerr other than at Sturgeon Lake in substitution of the land he claimed, as referred to in Mr. Dote's memorandum of the 2nd August 1892, of the Deputy Minister's reference 6329.

I think it is altogether probable that the land Mr. Kerr claims at the mouth of the Red River is the north-east quarter of Section 24-18-4 W. of the 1st Meridian, but I have attached to the file copies of correspondence between the Hon. Treasurer Oliver and the Surveyor General, relative to Mr. Kerr's claim.

I also enclose a sketch of the township, showing the situation of the land, together with a portion of

before the year 1949 but in my opinion it must have been on the Indian property. It would not appear that the terms [illegible] considered.

If it is decided that any or all of these claims are to be dealt with, either by free grants by virtue of ownership of the land claimed, at the time of the extinguishment of the Indian title in 1949, or by sale under a valuation to be placed thereon by a Homestead Inspector, and under the authority of the Governor General in Council, it would be advisable to have a survey made to determine the exact parcel to be granted to each applicant.

The Hudson's Bay Company

[illegible] parcel of which the company's improvements are located is on the east side of the river. I cannot trace any application by the company for the land and it is not mentioned in the list of lands claimed for its posts under the deed of surrender. The Inspector has reported that the company is in residence and has improvements to the value of $77.00 on the land and that the manager could not give any definite information as to when the company first occupied it but that it was long before Treaty and Mr. Thos. Kerr was trading there for the Company in 1874 in buildings belonging to the Company.

Some further Statutory evidence of occupation should be obtained before decision is reached on this claim.

Mr Thomas Kerr

The approximate position of the land claimed by Mr Kerr is east of the H.B. Co. claim and north of the N.W. Mtd. Police claim. He applied for this on the 19th June 1911 basing his claim on the fact of occupancy of the land at the time of the extinguishment of the Indian Title in 1899. He is stating that he held a piece of land adjoining the H. B. Co. It appears that Mr Kerr was manager for the Company from 1874 to 1910, occupying the company's buildings and has not furnished any evidence to establish his claim to a free grant by personal occupation at the time of the extinguishment of the Indian title.

All reports show that Mr Kerr has no improvements on any land at this point and when the surveyor made the survey of the township 1910-11 he reported that Mr Kerr was still the neighbour then.

You will remember that Mr Conroy the Indian Inspector called to see you lately and stated that he was personally aware that Mr Kerr resided in the vicinity in and before

Messrs Fredin and Cornwall, whom Revillon Freres state went into occupation and made improvements on the land in 1907. Messrs Revillon Freres, did not have continuous residence until 1913, previous to that time they had an agent residing there during the trading season. The Company is not occupying nor doing businessin their present buildings on the east side of the river; previous to 1913 it did some business in the old building on the west side of the river but there is no evidence that it is now using the latter and under the circumstances I do not think that the claim should be allowed.

The Peace River Trading Co.

This company's claim is on the west side of the river and the buildings were apparently erected in 1912 and were used by the company for parts of two winters while trading with the indians. No one in residence at the present time.

The company's claim to a free grant by virtue of occupancy of the land at the time of the extinguishment of the Indian Title in 1899, has not been established and should not in my opinion be allowed.

La Corporation Episcopale Catholique Romaine d'Athabaska

The parcel claimed is on the east side of the river and there are several graves thereon also a log church.

The inspector was not able to ascertain when the R.C. Church authorities first occupied the land, the church having been built prior to the present incumbent arriving there.

It would appear necessary to obtain an affidavit from someone in a position to make such, as to the date of occupancy etc, probably the Bishop might supply this, before the claim can be further considered.

Three Statutory Declarations were taken by the Surveyor in this quarter section, namely:

The Peace River Trading Co

La Corporation Archiepiscopale Catholique

There are also two other claimants for land in this quarter section namely:

The Hudson's Bay Co

Thomas Kerr.

The Agent of Dominion Lands was instructed to furnish a report on all five claims and to indicate the parcels applied for by each.

The conflicting claims I assume at the present time, are the Inspector's reports as follows:

In any event, it does not appear that Mr. Kerr has established any claim to land at this point, as he was, undoubtedly, in the employ of the Hudson's Bay Company while residing there.

I beg to return you, herewith, your reference 1673, and to enclose, for your information, copy of a memorandum by Mr. Meagher answering it in full, relative to this claim, which I have requested for a reply to Mr. Greene's letter of the 4th instant last, to the Chief. I regret that I am unable to supply the files, as asked for in the enclosure, as it is desired to use this file and the file [illegible] in the office.

I am also informed, verbally, by Mr. Scott, the Water Engineer, that he has no knowledge of any other claims in the vicinity of Lac Seul, other than Mr. Kerr's, which relates to the flooding of the near bank, and this is the extent of the information on file. Dear Mr. Oliver,

In the absence of Mr. Cory, I am acknowledging your letter of the 18th instant, concerning the claim of Tom Kerr, of Calais P.O., Sturgeon Lake, Alberta, to a free grant of land.

It would seem from the records of the Department that the claim made by Mr. Kerr at the time of the extinguishment of the Indian Title to a grant of land at the Junction of the Mikkwa (or Little Red) River and Peace River in the North East quarter of Section 28, Township 108, Range 5, West of the 6th Meridian, was disallowed.

The present application would appear to be for an unstated piece of land at Sturgeon Lake in the vicinity of Calais Post Office, but there is no land at this point now under the control of this Department as all the lots in the settlement have been disposed of and the remaining lands in the immediate vicinity are included in Indian Reserve No. 154, which has been transferred to the Department of Indian Affairs.
